<b>Document N°</b>	<b>VIE16_C5_31</b>	<b>Society</b>	<b>ARI</b>
<b>Subject</b>	<b>Mailing list for VHF Managers</b>		
<b>Author/ contact</b>	Alessandro Carletti, IV3KKW	<b>Status</b>	Proposal

## Background

There are two mailing list used for communications between radioamateurs interested into VHF & Up information around IARU Region 1 managed for IARU Reg. 1 by the oevsv.at server :

[iaru\\_c5 \[iaru\\_c5-bounces@ml.oevsv.at\]](mailto:iaru_c5@ml.oevsv.at)  
[iaru\\_contest \[iaru\\_contest@ml.oevsv.at\]](mailto:iaru_contest@ml.oevsv.at)

On [iaru\\_contest](mailto:iaru_contest@ml.oevsv.at) mailing list there are a lot of European stations active on VHF & Up and most of the e-mail addresses in the list were taken from the IARU Contest Robot from the uploaded logs.

On [iaru\\_c5](mailto:iaru_c5@ml.oevsv.at) mailing list there are some of the VHF & Up Managers of the IARU Region 1 member societies VHF & Up Managers but also a lot of person that are not involved into the management. In this way some particular communications that have to remain at management level can be published in some private media (Forum-Web Site-Public Mailing list) or magazines.

## Proposal

We propose to leave the [iaru\\_contest](mailto:iaru_contest@ml.oevsv.at) mailing list as it is, and to publish on the IARU Reg. 1 on the VHF & Up pages an information about the way to subscribe to this list related to contest arguments.

We propose to leave the [iaru\\_c5](mailto:iaru_c5@ml.oevsv.at) mailing list as it is and to publish on the IARU Reg. 1 on the VHF & Up pages an information about the way to subscribe to this list related to every arguments about VHF & Up except contest (many stations don't like contesting).

We propose to create a closed mailing list for VHF & Up managers only, managed by the IARU Reg. 1 C5 Coordinator. It's a duty of every member society to indicate the e-mail addresses of their managers that have to be included in the list.
