**Meeting Point:** „Thermenheuriger“ Lautenberg 155  
(GPS 46°58'52.3"N 16°06'34.3"E)

**Parking:** available more parking lots are behind the tavern “Thermenheuriger“.

**Time limit:** 120 minutes

**Bearing before start:** permitted

**Award ceremony:** as soon as possible after return of all participants ca.14:30

**Maps:** Austria Map, M = 1: 15.000, or OSM  
Format A4 horizontal, will be handed out at the briefing.

**Timekeeping:** Start/ Finish corridor is mandatory to use.  
This will be announced at the briefing.

**Terrain:** partly wooded, roads with separate footpaths.

**Course length:** optimum 4 - 5 km.

**Differences in altitude:** from start to fox max 120 m, fox to fox max 50 m and from last fox to finish line: max 100 m.

**Minimum distance:** start to 1st fox: minimum 750 m, between foxes min. 400 m, distance last fox to finish line: about 350 m.

**Evaluation:** All participants have to find five foxes. If the number of participants is sufficient, the international ARDF regulations will be applied. If category formation is not possible, the achieved running times are multiplied by an age- and gender-dependent performance factor before the final ranking is carried out. Since during an ARDF competition only about 70% of the total time is real running time, only this part is evaluated with the performance factor. The rest is added without evaluation.

**Safety:** Each participant is responsible for his own safety and participates at his own risk. It is permitted to take along a 2 m radio (call frequency 145,550) or a mobile phone, but only for use in an emergency.

**Organizer:** ÖVSV-Ortsstelle Fürstenfeld ADL 608, OVL OE6AXG, Otto Allmer,
